GRASS CUTTING CONTRACT GLENDALE

We the undersigned as per 4.1.3.1.4. of the Council's Constitution requisition a special meeting of the County Council to discuss the following

The recent decision made by the Council (Commissioners) to allocate the grass cutting contract to a company outside Anglesey. We feel that this decision has not been thought through and penalises local companies in Anglesey in a time of recession which is hitting Anglesey hard.

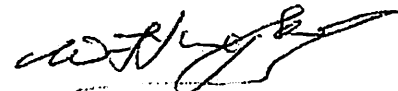

We fully support the stance made by school staff and the community and the "Ffederasiwn Penaethiaid Cynradd Môn".
