AUGUST

WEEK 35
240-125

Friday

David Bowles 3pm arranged by June

Met Bowles as requested

Strange meeting only him there.

Said this was Private Confidential off the Record Ma.
Asked me what position the Council was at.

Informed him the whole Council had agreed to a
a line on past differences and were committed
to move forward and tackle Auditor's recommendations.
I indicated that this was my position.

He then pressed me to tell him of past contentious
issues, Not wishing to be obstructive in any way

I referred to documented evidence recorded by
Auditor. I found this line of questioning strange.

I had expected, being on the Executive, to have been
guided on the direction he wished the Council
Recovery to take place.
