Attendance levels may vary due to the nature of work and responsibilities of members - as portfolio holder, committee chair or representing the Council on outside bodies, for example.	

I am Vice-Chairman of the Isle of Anglesey Charitable Trust and attended 1 meetings (25%). I am also a member of the Trust's Investment and Contracts Committee.

2 - Constituency Activity

Details below refer to the various bodies/organisations which I either am a member of or attend as an observer:

Chair of Millbank Community Centre

3 - Initiatives and Special Activities

It is a pleasure to note that a grant of £450,000 has been received from Welsh Government to rebuild Millbank Community Centre. I hope the Centre will be opened soon. I have also been involved in discussions concerning a play area in Treaddur Bay for local residents.

If elected after the Council elections which are on the horizon I look forward to representing the area in the future. I also want to thank Councillor Dafydd Thomas and Councillor Jeff Evans for their support during the past four years.

No doubt highways, planning and flooding issues will be areas requiring attention, and look forward to working with local residents if re-elected to address issues. In September the new Ysgol Cybi will open and I believe the school will be very successful. I do believe that I have worked to improve the area through working with the local community, and I look forward to the future.

4 - Learning and Development

I have attended the following learning and development initiatives during the past year (information supplied by the Isle of Anglesey County Council):

Member Briefing Sessions (6 out of 23 = 26%)	April 2016 – March 2017
--	-------------------------

5 - Other Activities and Issues

I have dealt with a range of casework to support constituents.
