**Councillor:** Trefor Lloyd Hughes

**Party:** Plaid Cymru

**Ward:** Ynys Gybi

### 1 - Role & Responsibilities

Between 1 April 2019 and 31 March 2020, I sat on the following main committees / sub-committees:	Attendance Summary
Appeals Committee	<a href="#">Attendance Record</a>
Appointments Committee	
General Grants Committee	
Investments & Contracts Committee	
Isle of Anglesey Charitable Trust Committee (Chair)	
Isle of Anglesey County Council	
Licensing Committee	
Partnership and Regeneration Scrutiny Committee	
Planning and Orders Committee	
Regeneration Committee	
Standards Committee	
The above list does not include all meetings related to the work of the Council.  Attendance levels may vary due to the nature of work and responsibilities of members - as portfolio holder, committee chair or representing the Council on outside bodies, for example.	

I am a member of the Isle of Anglesey Charitable Trust. I am also a member of the Trust's Investment and Contracts Committee – details of my attendance at these meetings are also available on the above link.

I represent the Council on the following outside bodies:

Outside Body	Summary of role and contribution
- North Wales Community Health Council (Anglesey Local Committee) - School Governor / Kingsland Primary School, Holyhead	

## **2 - Constituency Activity**

This year has once again been very busy as a Councillor for Ynys Gybi. Much to discuss with my electorate. I am a member of Holyhead Town Council and attend regularly. I also attend the Trearddur Bay Community Council but I am not a member.

## **3 - Initiatives and Special Activities**

I played an integral part in bringing the Land Train to Holyhead in August, which was a great success. I believe this would bring more to the economy of the town and the area. Because of the rules, my time as a member of the Standards Committee has ended and I am proud that I showed that I was fair in the post. I have attended a number of meetings in my area and am very grateful to the two other Councillors who represent the area for their co-operation.

## **4 - Learning and Development**

Information about the learning and development initiatives I have attended during the past year is available here (information supplied by the Isle of Anglesey County Council): [Training](#)
