2 - Constituency Activity

As a Local Member I, along with Councillors John Griffith and Ken Hughes, attend the 7 Community Council meetings on a rota basis. I am also a Governor at Llanfechell Primary School and at Bodedern Secondary School where I am currently the Chair. I represent the Talybolion electorate on a number of different local matters such as Housing, Planning, Waste, Highways, Social Services matters etc.

I work with a number of community groups namely Ffrindiau Bodedern, Ffrindiau Llanfachtraeth which was established this year with my support and I support a group that is just starting out in Llanfaethlu in order to improve the playground facility in the village. I have been able to bring in the support of Menter Môn and Medrwn Môn when needed in order to support the community activities.

3 - Initiatives and Special Activities

During the challenging Covid period I have continued to maintain contact with the communities whilst leading the Council in a crisis. I have met regularly with the Welsh Government, Public Health Wales and Betsi Cadwaladr Health Board so as to ensure that Anglesey has a strong voice during the crisis. A copy of my annual report as Leader can be found here –

4 - Learning and Development

Information about the learning and development initiatives I have attended during the past year is available here (information supplied by the Isle of Anglesey County Council): [Training](#)

5 - Other Activities and Issues

During the past year I was elected as the WLGA's Social Services Deputy Speaker. I meet regularly with Welsh Government Ministers to discuss Social Services issues. I have also chaired National Children's Services events in this capacity and participated in interviews on national issues.

I have continued to chair the Town and Community Council Forum virtually, which is a highly important forum in order to ensure contact between the County Council and the local Councils.

As an Equality Champion I have attended a number of events to promote the need for an equal society. I had the privilege to hold an event for Council staff to discuss the challenges facing women in the field on National Women's Day.

The last year has been very challenging and I would like to thank my family, friends and fellow councillors, from the bottom of my heart for their support. But there are two in particular who have supported me more than anyone, my children. Whilst they have also been battling to learn from home and I myself was battling the crisis, they have supported me tremendously.

More information about me can be found here: [Councillor Llinos Medi](#)
