I have also been available via telephone or e-mail. I have helped electors and their families in various ways, e.g:

Planning: I have responded to requests to communicate with the Planning Department. I have spoken in the Planning Committee several times either in favour of or against planning proposals.

Highways: Requests for drains and responses to complaints regarding speeding.

Property: Contacted the department to make enquiries regarding the danger associated with the door of the old lifeboat hut in Moelfre.
