### 2 - Ward Activity

Probably one of the most emotional contributions has been taking part in the Vigil event for Ukraine held in Beaumaris along with fellow members, Beaumaris Town Council and the Church in Wales.

Regularly attend the community Councils, Llanddona, Cwm Cadnant, Llangoed and Penmon and the Beaumaris Town Council.

Helped many with their personal issues, around housing, social care and issues such as highways matters and environmental health.

Part of the Castle Square committee which is the newly formed group to oversee activity within this area of Beaumaris.

Working with Menter Mon to develop better public wi-fi connection in Town centres with Beaumaris selected to be one such place, with work going ahead in the background.

When the young farmers club with the Seiriol ward found themselves needing a leader to continue I stepped up and supported the Llangoed Club, arranging a range of weekly activities for the young people and competing at the County Eisteddfod and Rally.

Delighted to support and see implanted a scheme installed at Mill Lane Beaumaris to help protect businesses and residents from flooding, this innovative scheme, the first of its kind also won a national award.

Raised concerns and pressed Welsh Gov for action along with fellow Seiriol Ward Cllrs and Senedd Member in relation to flooding at Fryars Bay.

Constant discussion with the contractor working on the 70m pipe installation work in Old Llandegfan for flood alleviation.

Supported more defibrillators within the Seiriol Ward and training opportunities for local people.

### **3 - Initiatives and Special Activities**

Many initiatives supported including the Plastic Free Beaumaris campaign, a dark skies initiative and re-discover Anglesey safely campaign.

A big piece of work has been leading the review of the use of the Menai Strait and working with many stakeholders to produce a code of conduct and launching via a public campaign.

Supported numerous charities and good causes.

As portfolio holder, led and delivered a number of brand new business units to support the Anglesey Economy.

Supported the tidal energy project of the coast of Anglesey to gain funds and project approval.

### **4 - Learning and Development**

Attended training events, online and in person through the role as Elected Member, School Governor and professional manner within occupation in Education.

### **5 - Other Activities and Issues**

Protecting communities and council services has again been a priority during this Covid pandemic and I must once again take this opportunity to thank all the key workers within the Seiriol Ward and beyond for their fantastic work and cooperation.

I must thank my fellow Seiriol Ward Cllrs, Alun Roberts and Gary Pritchard for their dedication, support and cooperation, it is a pleasure to work alongside them.

As we approach the end of the 5 year council term, I must state that representing my ward has been a huge honour and has been a very rewarding and enjoyable experience, I look forward if re-elected to continuing for another term. You can find out more information about me here:
