Sylwadau pellach / Further comments.

1.	I think we did a good job here in the North. Good balance of presentations and workshops.
2.	Very worthwhile exercise. Informative, lively, information sharing.
3.	Very well organised in all respects.
4.	Very well organised and useful. Well chosen topics. Good venue and good facilities.
5.	Very enjoyable and good Conference.
6.	Should have started at 9 or 9:30. Most stayed overnight or were within 1 hours drive
	Standards documents too large
	Perhaps One Voice Wales representative should be invited?
7.	I'd suggest that the Conference should have started earlier in the day. Those that travelled from
	South Wales probably all stayed the night before.
	Conference should have finished therefore at 15:30.
	Conference was excellent.
8.	Diddorol dros ben. Dim digon o drafod/gwaith grŵp yn Gweithdy 1C. Trefniadau da /
	dwyieithog.
9.	Would have liked longer to discuss Workshop 1A/2A – Promoting Standards.
10.	Would have preferred all the conference materials to be on the web or e-mail. The contents were
	very heavy to transport and a waste of paper. Could have condensed the day a little to perhaps
	start at 10:00 to enable us to get home earlier. Would be easier on a midweek day.
	Good use of bilingual communications.
11.	Found documentation awkward to negotiate.

12.	Generally good – but not as good over the whole range as the last 2/3 annual events have been.
	Venue (although at the opposite end of Wales for me) was very good.
13.	Nid oedd y brif neuadd yn lleoliad delfrydol ar gyfer y gweithdai (rhy fawr ac amhersonol!)
	At y dyfodol, byddai'n ddefnyddiol pe bai'r dogfennau i aelodau'r gynhadledd gynnwys rhestr o'r
	holl aelodau, gan nodi pa Gyngor oeddent yn ei gynrychioli.
14.	Cynhadledd wedi ei threfnu'n dda gyda chynnwys ardderchog. Diolch!
15.	Workshop 1C – We didn't have the opportunity to work in small groups although tables were
	arranged to provide just the opportunity.
	I would have welcomed more workshop sessions, shorter lunch break if necessary.
	I would have been happy to forego the cost of having conference documents in English and Welsh.
16.	Page numbers needed on brochure.
	Morning group sessions not enough "Group Work".
17.	Balance of Workshops/Plenary – just right.
18.	Location – excellent – easy to find and very pleasant vicinity, good facilities.
	Refreshments – very good.
	Food – poor – satisfactory – very heavily bread orientated, good fruit sticks option.
19.	Members should have been asked prior to arriving if they wanted material in English or Welsh as of
	this document is waste!
	1B – too rushed – needed 2 hour slot.
	2C – Single Purpose Authorities was poor
	- Registration on interest was good.
20.	Venue could have been warmer and it would have been nice to have had some form of soft drink
21	save for water. Otherwise – Excellent!
21.	As a new member of the Standards Committee I have found the conference to be extremely helpful.
22.	Da Iawn.
23.	Excellent conference pack, well organised and relevant.
0.1	2C – This took the form of a presentation with questions rather than a workshop.
24.	It is encouraging to see the degree to which all participants engaged with the issues, are willing to
25.	share and learn from good practice. A useful and informative day. Thank you.
25. 26.	
20.	The need for mandatory training per town and community councils on the code is foremost. We have to sign to state we have read this when elected but not all understand. Well Done

44.	Very well organised and relevant conference.	
45.	Really useful, especially the opportunity to discuss with members of other Standards Committees.	
	Raised a lot of new and interesting issues concerning the role of Standards Committees.	
46.	Facilities – Main conference room was dark, black walls (!). Poor lighting. The room was very	
	cold. Doors were left open and I asked several times if door could be closed. The women present	
	sat in their coats.	
	Thoroughly enjoyed and learned a great deal from Workshop Session 1A. Content was thin and I	
	felt a wasted opportunity.	
	Pack not numbered, difficult to follow.	
	I do not eat diary products not asked dietary requirements before attending.	
47.	Diwrnod buddiol - yn bennaf i glywed beth sydd yn mynd ymlaen mewn Awdurdodau eraill.	
48	Buddiol iawn.
