## MEMBERS REQUEST FOR AN ITEM TO BE CONSIDERED FOR SCRUTINY

Suggested Topic: Road closure of B4417 at Tundwys with AS at HOWARD'S ARMS

Responsible Committee:  
(Tick one)

Corporate   
Partnership and Regeneration

Why do you think this is a good topic for Scrutiny?

It is important for Scrutiny to examine cost of repairs and explore reasons to be learnt for closing a road for such a length of time without due consideration for Businesses and Road users

Have you already discussed your concerns with the relevant service officer? Please state with whom you have spoken, and when. **Without this information, the suggestion cannot proceed**

Met with Mr Richard Parry Jones and Highway Officers in Llangelwsi

Please provide us with any background information to your request

This is the 3<sup>rd</sup> time that this important road has had a lengthy closure. Previously I led a march of residence from the Post office in ~~Llangelwsi~~ Llangelwsi to the Bridge at Dinam to protest to Highway officials and the contractors and the road was reopened in Days. The cost of this culvert repair exceeds £100,000 which must be challenged.

Name (please print) PETER ROGERS Date 13.12.2013

Your suggestion will be acknowledged within 10 working days of receipt and you will be informed when it is to be considered by the Committee Chair. You will be offered the opportunity to speak with the Committee to champion your topic.
